Article 8.5. Waste Tire Hauler Registration and Manifesting Requirements for Used and Waste Tire Haulers, Retreaders, Used and Waste Tire Generators, and Used and Waste Tire End-Use Facilities

Note to Reader: The two attached forms are new, but do not lend themselves to underlining.

18449. Scope.

(a) This Article specifies the procedures for waste tire hauler registration and tire manifest system requirements for waste tire haulers, retreaders, waste tire generators, and end-use facilities, including reporting and documentation requirements.

(b) In addition to the regulations in this article, statutory provisions contained in Sections 42950 through 42967 of the Public Resources Code govern the Waste Tire Hauler Registration Program.

(c) This article contains different reporting provisions for retreaders than for other waste tire haulers. However, the Board's new Comprehensive Trip Log reporting system will apply the same provisions to retreaders as to other waste tire haulers. In order to provide a transition period for retreaders, the existing provisions will continue to apply to retreaders during the period of time that emergency Comprehensive Trip Log provisions are in effect. However, upon the effective date of non-emergency Comprehensive Trip Log provisions in this Article, the Retreader Trip Log shall no longer be a valid CIWMB form and retreaders shall not be required to comply with sections 18450(a)(12), (19), and (20), 18456.2.1, 18459.2.1(b), 18460.2.1, and 18461(a)(1). The three year record retention provision in sections 18459.3(b)(1) and 18462(b)(1) shall continue to apply to retreaders.
